

## “Our Panelling Can Transform Any Traditional Or Contemporary Setting. Great Value, Simple, Clean - And Fast To Fit”

### *Why Choose English Panelling?*

- Enables you to transform your aspirations into reality - instantly improving your chosen site through a simple makeover
- Is equally effective in contemporary as in traditional settings
- Easily hides rough, previously damp or uneven walls
- Can quickly create fascias to hide ducting, trunking and service runs
- Is long lasting, hard wearing and moisture resistant
- Can be stored in a small space before installing, quick easy and clean to fit
- Fitting is a dry trade without the need for filling, salvage yards or tricky reconstructions
- Looks as if it has been there forever - others describe as “grand”, “exclusive”, “adding class” even “spray on architecture”
- Adds value to the property in which it is fitted
- Available from small pack sizes to pallet loads – at increasing discounts
- Represents excellent value
- Can be made to bespoke, or unique designs, just ask Jack!
